Follow Our Creative Journey

NEXABONGOVERSEASVENTURESPTLTD

Delivering Sustainable Elegance with Every Export.

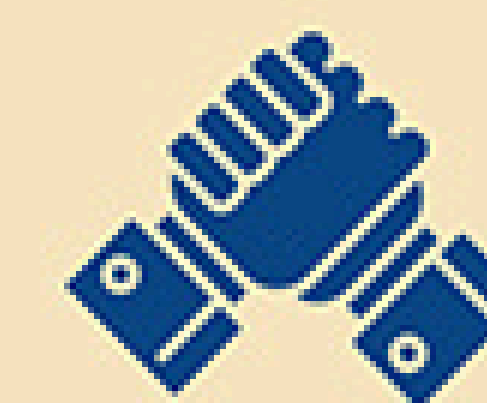

NEXABONG OVERSEAS VENTURES PVT. LTD. is a creative enterprise built on the foundation of art, craftsmanship, and sustainability.

Founded by a professional artist with over 10 years of experience in manual painting, handicraft design, and concept artistry, Nexabong blends artistic vision with eco-conscious innovation to create world-class jute products.

Our collection includes Jute Bags, Home Décor, Table Mats, Coasters, and Gift Items — each reflecting natural elegance, thoughtful design, and ethical production.

Every product tells a story of creativity, precision, and care — handcrafted by skilled artisans who transform jute into timeless works of art.

At Nexabong, we are committed to sustainable craftsmanship, international quality standards, and timely delivery for global partners who value authenticity and environmental responsibility.

Why Choose Nexabong?

100% Natural & Sustainable

Crafted from eco-friendly fibers, our products are durable, biodegradable, and consciously designed for a greener planet.

On-Time Global Delivery

We operate with strong export logistics to ensure safe, punctual, and seamless worldwide shipping.

Artist-Led Design Approach

With a decade of professional art & design expertise, every product is created with precision, style, and imagination.

Client-Centric Collaboration

We work closely with clients to customize designs, textures, and finishes that align with their brand values.

Certified Quality Assurance

Every product undergoes strict inspection to meet international export standards of strength, finish, and sustainability.
